## Health Nugget

NUTRITION: "Our bodies are built up from the food we eat. There is a constant breaking down of the tissues of the body; every movement of every organ involves waste, and this waste is repaired from our food. Each organ of the body requires its share of nutrition. The brain must be supplied with its portion; the bones, muscles, and nerves, demand theirs. . ." (Counsels for the Church, p. 221.)

## From the Pen of Inspiration

Run the Christian race with patience, and rise superior to every temptation, however grievous it may be, that shall come to you. Resist the devil, and he will flee from you. Draw nigh to God; and if you are desirous of taking the first upward step, you will find His hand stretched out to help you. It remains with you, individually, as to whether you walk in the light of the Sun of Righteousness, or in the darkness of error. The truth of God can be a blessing to you only as you permit its influence to purify and refine your soul. (Sons and Daughters of God, p. 79.)
