AV: After quite some time & a lot of work by the AV team to get our system to the point where we can begin livestreaming the sermon today. It's been a long time coming but the church's efforts have paid off. The AV team is proud to announce that we will start live streaming the sermon only, but over time we will gradually move to live streaming the whole church service & possibly eventually SS as well. This has been a long road to get to this point & we are thanking & praising God for the opportunity to bring His message to those that are unable to attend each Sabbath & hope that our service will touch many lives & help lead them to Jesus. Special thanks to the AV team members past & present, members who donated their time, materials, talents, VIP for cameras, lights, video/audio equipment. AV team

We have come into His house, and gathered in His name,
to worship Him. Let's forget about ourselves, and magnify

And look upon His face, and worship Christ the Lord.
Worship Him, Christ the Lord.

Health Nugget

But not all foods wholesome in themselves are equally suited to our needs under all circumstances. Care should be taken in the selection of food. Our diet should be suited to the season, to the climate in which we live, and to the occupation we follow. Some foods that are adapted for use at one season or in one climate are not suited to another." (Counsels for the Church, p. 221.)

From the Pen of Inspiration

Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh. Matthew 24:44. . . .

We know not the precise time when our Lord shall be revealed in the clouds of heaven, but He has told us that our only safety is in a constant readiness—a position of watching and waiting. Whether we have one year before us, or five, or ten, we are to be faithful to our trust today. We are to perform each day's duties as faithfully as though that day were to be our last.

We are not doing the will of God if we wait in idleness. To every man He has given his work, and He expects each one to do his part with fidelity. Resistance must be made against sin – against the powers of darkness. The time demands energetic and determined activity on the part of those who believe present truth. They should teach the truth by precept and example. (That I May Know Him, p. 358.)
