## From the Pen of Inspiration

A familiar acquaintance with the Scriptures sharpens the discerning powers, and fortifies the soul against the attacks of Satan. The Bible is the sword of the Spirit, which will never fail to vanquish the adversary. It is the only true guide in all matters of faith and practice. The reason why Satan has so great control over the minds and hearts of men is that they have not made the Word of God the man of their counsel, and all their ways have not been tried by the true test. The Bible will show us what course we must pursue to become heirs of glory. (Our High Calling, p. 31.)

There are many in the church who take it for granted that they understand what they believe; but until controversy arises, they do not know their own weakness. When separated from those of like faith and compelled to stand singly and alone to explain their belief, they will be surprised to see how confused are their ideas of what they had accepted as truth.

The Lord calls upon all who believe His word to awake out of sleep. (God's Amazing Grace, p. 30.)
