From the Pen of Inspiration

Our Lord designed that His church should reflect to the world the fullness and sufficiency that we find in Him. . . . Jesus Himself, in His infinite mercy, is working on human hearts, effecting spiritual transformations so amazing that angels look on with astonishment and joy. The same unselfish love that characterizes the Master is seen in the character and life of His true followers. Christ expects that men will become partakers of His divine nature while in this world, thus not only reflecting His glory to the praise of God, but illumining the darkness of the world with the radiance of heaven. Thus will be fulfilled the words of Christ: "Ye are the light of the world." { 5T 731.1}
