From the Pen of Inspiration

Christ's true disciples follow Him through sore conflicts, enduring self-denial and experiencing bitter disappointment; but this teaches them the guilt and woe of sin, and they are led to look upon it with abhorrence. Partakers of Christ's sufferings, they are destined to be partakers of His glory. (Acts of the Apostles, p. 590.)

Health Ministries

Self control... This can be a loaded topic. Portion control is part of this. Here are some tips that can help make it easier to control your intake: allow yourself large portions of fiber rich, low calorie foods. These would be non-starchy vegetables and low sugar fruits. Eat other foods in moderation, allowing yourself plenty of time to eat. Remember that it takes 20 minutes for your body to get the "satiety" message. Before you dig into the second helping, give your body time to get the message that you already have enough food on board. Drink plenty of water in between meals. Remember that sometimes what we think is a hunger feeling is actually a sign that we need to drink more water. And make that plate colorful! When our meal is pleasing to the eyes, it is more satisfying to our body.

Call to Worship Song - "His House"

We have come into His house, and gathered in His name, to worship Him. Let's forget about ourselves, and magnify the Lord and worship Him. Let us ask for healing grace And look upon His face, and worship Christ the Lord. Worship Him, Christ the Lord.
